County Recorder Beverly H. Hildner

By M S, Deputy

DOCUMENT NO. 262935

Statement of Evidence: North Quarter Corner, Section 4, Township 138 North,
Range 31 West, 5th Principal Meridian.

In 1865, during the Original Public Land Survey, a wood post was set to mark the corner.

No public record was found using this corner.

In 1981 the Minnesota Department of Transportation found a capped iron pipe at this location. The found pipe was set at a lost position as is indicated by comparing the doubling of the monumented quarter mile distance to east with the monumented half mile distance to the west. The Minnesota Department of Transportation is accepting the pipe as the corner location.

For details and survey analysis contact the Minnesota Department of Transportation District Surveys Office in Brainerd.
