County Recorder Claudine Kayler

By MS, Deputy

DOCUMENT NO. 267937

Statement of Evidence: East Quarter Corner Section 31, Township 140 North,
Range 30 West, 5th Principal Meridian.

The original Public Land Survey was run in 1865 and a wood post was set to mark the corner.

In 1981 the Minnesota Department of Transportation found a 1-1/2" pinched pipe at the corner location. The pipe agrees with the occupation lines and is 2.9 feet west and 2.0 feet south of a lost location.

We found no other evidence or record information about this corner. We accept the pipe as the correct location for the corner.

For details and survey analysis contact the Minnesota Department of Transportation Surveys Office in Brainerd, Minnesota.

* County Surveyor's Records: In 1913, Mr. John Curo, Cass County Surveyor, set a 2x48" iron monument for the corner from the original Bearing Trees.
