Statement of Evidence:

- 1874 U.S. General Land Office survey set wood post for this corner and marked the following bearing trees: 6" Poplar N 17 E 100 links.
- 1919 U.S. General Land Office dependent resurvey reestablished this corner by proportionate distance. No evidence was found of the original corner or bearing tree. An iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 8" W. Pine N 56-30 E 101 links and 10" W. Pine S 22-45 W 27 links.
- 1980 U.S. Forest Service technician C. Krause found the corner monumented with a GLO brass cap monument in good condition up 6". The following bearing trees were found: W. Pine stump N 56 E 66.7 and W. Pine stump S 23 W 17.8'. Both stumps are well rotted. Three new bearing trees were marked and are shown on this certificate.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1919 by the GLO resurvey based on bearing tree evidence.
