 Title: Land Surveyor Professional Engineer County Surveyor County Engineer

Statement of Evidence: East Quarter Corner of Section 10, Township 133 North, Range 31 West, 5th Principal Meridian, Cass County, Minnesota.

The original Government Survey was run in 1863, by Mr. George B. Wright, Deputy Surveyor, and a wood post was set, with an Oak and a Tamarack as Bearing Trees.

No other information was found on the Corner location.

On December 3, 2004, Mr. Kevin J. Metz, Minnesota Registration Number 40343, searched the area and found no evidence of the original post or Bearing Trees. Two old fences were positioned in the Northwest Quarter of Section 11. The Westerly extensions of these fences fall 5 feet North, and 4.4 feet South, respectfully, from a lost position for the East Quarter Corner of Section 10. This position is approximately 60 feet North of a fence corner of fences North and West. A 1 inch, inside diameter, iron pipe, with R.L.S. cap # 40343, was set at a lost position, as supported by the old fence locations in Section 11. New ties were taken at this time, as shown on the front of this document. I accept this position as the correct location for the Corner.
