I hereby certify that this document was researched and prepared by me or under my direct supervision.

Signature Kevin J. Metz Date 12-3-2004 License No. 40343
 Title: Land Surveyor Professional Engineer County Surveyor County Engineer

Statement of Evidence: Northeast Corner of Section 15, Township 133 North, Range 31 West, 5th Principal Meridian, Cass County, Minnesota.

The original Government Survey was run in 1863, by Mr. George B. Wright, Deputy Surveyor, and a wood post was set for the Corner, with three White Birch and an Aspen as Bearing Trees.

In 1921, Mr. E. B. Horst found a stake at the Corner and tied a fence post, South 265 feet, County Book D, Page 8.

On the Minnesota Department of Highways Right of Way Map for S.P. 1115, T.H. 210=2, dated May, 1945, the Corner is shown 2.1 feet North of Engineer's Station 259+55.0

On December 3, 2004, Mr. Kevin J. Metz, Minnesota Registration Number 40343, found a strong Magnetic hum, under the concrete surface, at a position 2.1 feet North of T.H. 210, Engineer's Station 259+55.0. A 1 inch, inside diameter, iron pipe, with R.L.S. cap # 40343, was set as a Witness Corner, 75.0 feet North of the Northeast Corner of Section 15, and on the Section Line between Sections 10 and 11. New ties were taken, as shown on the front of this document. I accept this position as the correct location for the Corner.
