I hereby certify that this document was researched and prepared by me or under my direct supervision.

Signature [Signature] Date 3/14/06 License No. 42619
 Title: Land Surveyor Professional Engineer County Surveyor County Engineer

Statement of Evidence: The Northwest corner of the Northeast Quarter of the Northeast Quarter of Section 18, Township 142 North, Range 30 West, Cass County, Minnesota.

During the Original Government Survey of 1873, a post was set to mark the corner. Bearing tree ties were made to two Willow trees.

During the 1920 GLO, a 1"x36" iron pipe was set to mark the corner, after no evidence was found of the original post. Bearing tree ties were made to two Oak trees.

In 2005 Kramer Leas DeLeo recovered a brass disc in concrete. Bearing tree ties were made to a Red Oak and a Burr Oak. Kramer Leas DeLeo accepts this as the correct location for the corner.

For details and survey analysis contact Kramer Leas DeLeo in Brainerd, Minnesota.
