County Recorder Claudine Kayler
By MS, Deputy

DOCUMENT NO. 267924

Statement of Evidence: Northeast Corner Section 18, Township 140 North,
Range 30 West, 5th Principal Meridian

The original Public Land Survey was run in 1865 and a wood post was set to mark the corner.

In 1915 Mr. John Curo found evidence of the original Government Corner and set a 2-1/2" capped pipe to mark the corner.

In 1918 and 1921 Mr. E. B. Horst and Mr. J. Flynn found the 2-1/2" capped pipe.

In 1981 the Minnesota Department of Transportation recovered the 2-1/2" capped pipe and accepted this as a perpetuation of the original Government Corner.

For details and survey analysis contact the Minnesota Department of Transportation Surveys Office in Brainerd, Minnesota.
