County Recorder Cloudine Kayler

By MS, Deputy

DOCUMENT NO. 279371

Statement of Evidence:

- 1919 U.S. General Land Office dependent resurvey established this corner and an iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 10" Maple N 10 E 156 links and 6" Poplar S 70 W 174 links.
- 1974 U.S. Forest Service records show the following: L. Witthoeft found GLO brass cap monument in place.
- 1980 U.S. Forest Service technician C. Krause found the corner monumented with a GLO brass cap monument in good condition up 10". The following bearing trees were found: Found stump holes at record bearing and distance for both bearing trees. Three new bearing trees were marked and are shown on this certificate.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1919 by the GLO resurvey based on bearing tree evidence.
