County Recorder Claudia Kayler
 By John E. Maeder, Deputy

DOCUMENT NO. 433373

Statement of Evidence:

NORTH QUARTER CORNER SECTION 4, TOWNSHIP 138 NORTH,
RANGE 32 WEST OF THE FIFTH PRINCIPAL MERIDIAN

The original Public Land Survey was run by Jacob Myers in 1860. A post was set to mark the corner and two bearing trees were recorded as accessories; a 4- inch Tamarack South 50 degrees West 152 links, and a 5- inch Tamarack North 13 ½ degrees East 352 links.

In 1996 the Minnesota Department of Transportation conducted an intensive search for additional document, physical and parole evidence for this corner. None could be found.

Analysis of the above information indicates that this Public Land Survey corner is lost. May 28, 1997 a Mn/DOT square steel perforated tube with an aluminum cap was placed in lost position to mark this corner; a single proportion measurement between the northeast corners of Section 4 and 6.

For recent survey measurements and additional information contact the Surveys Section of the Minnesota Department of Transportation in Bemidji.
