Statement of Evidence:

East Quarter Corner Section 5, Township 140 North, Range 30 West

The Original Public Land Survey was run in 1865 and a wood post was set to mark the corner. Bearing tree ties were made to a Oak Tree and an Elm Tree.

In 1965 Mr. R.F. Schneider recovered an iron pipe monument. Bearing tree ties were made to a Red Oak, a Norway Pine and an Oak tree.

In 1966 Mr. R.F. Schneider's plat of WITHAM'S STONY LAKE SHORES shows an iron pipe monument recovered.

In March 2004 Kramer Leas DeLeo recovered a 1" iron pipe monument and bearing tree ties were made to a Twin Maple, a Maple Tree, and a existing tie to a Red Oak was recovered from the 1965 R.F. Schneider ties. Kramer Leas DeLeo accepts this position as the correct location for the corner.

For details and survey analysis contact Kramer Leas DeLeo in Baxter, Minnesota.
