Title:  Land Surveyor     Professional Engineer     County Surveyor     County Engineer

Statement of Evidence:

Northeast Corner Section 28, Township 137 North, Range 29 West

The Original Public Land Survey was run in 1865 and a wood post was set to mark the corner. Bearing tree ties were made to three Black Pines and a Red Oak.

In 1908 Mr. John Curo recovered post set in the Original Public Land Survey and the four Bearing tree ties. Bearing tree ties were made to two Jack Pines.

In 1998 Mr. David Landecker shows a recovered monument on a certificate of survey.

In April 2004 a Kramer Leas DeLeo certificate of survey shows monument recovered.

In June 2004 Kramer Leas DeLeo recovered a ½" iron pipe monument. Bearing tree ties were made to a Jack Pine, an Oak, and a Power Pole. Kramer Leas DeLeo accepts this position as the correct location for the corner.

For details and survey analysis contact Kramer Leas DeLeo in Baxter, Minnesota.
