Statement of Evidence:

- 1926 U.S. General Land Office dependent resurvey established this corner and an iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 8" W. Pine N 81-15 E 56 links and 10" Poplar S 55 W 55 links.
- 1970 U.S. Forest Service records show the following: S. Morrison found the brass cap monument and the W. Pine bearing tree: No evidence found of the Poplar.
- 1980 U.S. Forest Service technician G. Brama found the corner monumented with a GLO brass cap monument in good condition up 12". The following bearing trees were found: 15" W. Pine N 81 E 36.96': No evidence found of the Poplar.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1926 by the GLO resurvey based on bearing tree evidence.
