STATEMENT OF EVIDENCE Northeast Corner Section 5, T.135 N., R.32 W., 5th P.M.

- 1858 U.S. General Land Office survey set a wood post for this corner and marked the following bearing trees: 8" Sp. Pine N 70°E 5 lks., 7" Sp. Pine N 25½°W 25 lks., 9" Sp. Pine S 41°W 22 lks., 6" Sp. Pine S 16½°E 48 lks.
- 1985 On August 26, Terry Freeman, Cass County Survey Technician, found a 8" piece of car spring, set horizontal, ±10" SE of P.I. of roads.
- 1985 On Sept. 17, Terry Freeman and Ken Meyer, backhoe operator, dug in intersection of roads. Dug 13' N-S x 11' E-W x 2.5' deep. All natural sand—found nothing.
- 1986 On August 11, Terry Freeman and Dan Gordon, replaced found iron with a cast iron monument, down 6", with spring on E. side of monument.

Although there is not a record of the spring being set for the corner, the Cass County Surveyors Office accepts it as the best available evidence of the corner and a perpetuation of the original government corner.
