DOCUMENT NO. 297692

STATEMENT OF EVIDENCE

Northeast corner, Section 21, Township 136 North, Range 31 West, Cass County, Minnesota.

The original Government survey was done in 1870, a post was set establishing the corner thereof.

1913 - John Curo finds old original government bearing trees and set a 2½" x 48" iron pipe in concrete, see notes and plat in County Survey Record Book B, page 12 - 28.

1922 - Horst find Curo iron monument and further sets two iron pipes in the Northeast and Northwest quadrants as ties. See notes and plat in County Survey Book D, page 184.

1986 - David Landecker, RLS #17008, Landecker & Associates, Inc. find the iron monument set by Horst as a tie in the Northwest quadrant and uses this to re-establish this corner position of said Northeast corner. This position fitting both the Curo and Horst surveys. Landecker & Associates, Inc. therefore accepts this monument as a perpetuation of the Northeast corner of said Section 21.
