DOCUMENT NO. 302623

Statement of Evidence:

North Quarter corner of Section 10

1-11-1874 P.H. Conger, Deputy Surveyor set post for corner and witnessed as follows:

Oak 4" North 15 degrees East 10 links (6.60 feet)

Oak 4" South 32 degrees East 13 links (8.58 feet)

Said records are filed with the Secretary of State, St. Paul, MN.

1919 GLO resurvey ran this line but made no mention of this corner. Said records are filed with the Secretary of State, St. Paul, MN.

1972 W.J. Spain indicates monument in place for PLAT OF LA CASA J&R. Said plat is recorded in the office of the Cass County Register of Deeds.

10-21-1987 Personnel of Kovanen Surveying found 2 1/2" iron pipe monument as indicated by Spain on South line of plat.

1-21-1988 Personnel of Kovanen Surveying removed 2 1/2" by 18" iron pipe and replace it with a 2" by 36" brass capped iron pipe set flush and witness the position as shown on the sketch.

An analysis of the above data indicates that this is not a perpetuation of the original GLO corner, but it is accepted as the corner for lack of evidence to the contrary.
