Title:  Land Surveyor     Professional Engineer     County Surveyor     County Engineer

**Statement of Evidence:**

Northeast corner of Section 36, Township 136 North, Range 30 West

The Original Public Land Survey was run in 1858 and a wood post was set to mark the corner. Bearing tree ties were made to three pine trees and an aspen.

In 1916, Mr. E.B. Horst recovered the old Government bearing trees and set a 2" by 48" iron pipe monument to mark the corner. Bearing tree ties were made to a jack pine and the stump of a white pine.

In September of 2006, Kramer Leas DeLeo recovered a 2" iron pipe monument and made bearing tree ties to a jack pine, a burr oak, and a telephone pole. Kramer Leas DeLeo accepts this as the correct location for the corner.

For details and survey analysis contact Kramer Leas DeLeo in Brainerd, Minnesota.
