1981 Myron Landecker surveyed Section 9 in 1981, their section breakdown shows that they set 1/2" iron pipes at the NW, W1/4 and SW corners of said section 9.

Dec. 2004 B. Grima, LS 17253, Westwood certificate of survey in the Southwest 1/4 of Section 9 on file at Cass County shows iron monument set, (Chris Hogle, LS of Westwood's Brainerd office said that they held Landecker's positions for the west line of said Section 9).

Nov. 2010 Craig E. Johnson, LS, CFedS, found a 1/2" pipe capped No. 17253, the iron matched the position of the Westwood and Landecker corner. The pipe was accepted as the corner and reference ties set as depicted on the face of this certificate.
