Statement of Evidence

North Quarter corner of Section 23, Township 139 North, Range 27 West, 5th Principal Meridian.

- 1864 The US General Land Office, in notes of the subdivision of Township 139 North, Range 27 West, set a post for the original corner and referenced it as follows:
7" Aspen S 40° W 25 links 7" Birch N 05° E 30 links
Said records are on file with the Minnesota Historical Society, St. Paul, Minnesota, copies are filed with the Cass County Surveyor's Office (CCSO).
- 2013 KLJ field crews searched the area found and nothing. This corner was set lost by single proportion between the NE 22 and the NE 23. A 5/8"x24" rebar with plastic cap stamped "Leas MN 42619" was set to mark the corner position and is witnessed with the ties shown on the front of this certificate. Jarrett Leas, RLS #42619, after analysis of record and survey information accepts this monument as the correct perpetuation of the corner.
